Corona behavior rules in the library

**Own responsibility**
- Use the hand disinfectant we provide when entering the library.
- Maintain a distance of 1.5 meters to the personnel and the other library visitors.

**Access to the library**
- Please go to the information desk when you want to use a study carrel (only possible with a booking) or if you would like a book from the reading room.
- Inform yourself before coming to the library about the available books by email, telephone or the online research portal.

**Clean before use**
- Before use, clean the equipment with the disinfectant and paper we provide.

These rules are based on the protection concept for libraries from bibliosuisse and the instructions of the UZH management.
